New Marketing Tool

Now in stock! **RISO Solution Consultant Version 2.0.**

The latest edition of the RISO Solution Consultant is here. After version 1.0 was released last winter, we received many suggestions and have integrated those improvements in this latest version.

The **Version 2.0** updates include:

- New Configurations
- New Accessories
- Updated product descriptions
- Custom pricing on Supplies and Service

Use this powerful sales tool to determine the right system for your prospective customers.

RISO Solution Consultant Version 2.0 is available immediately from Customer Service, item no. 1595. Call 800-995-7476 to place your order today!
